

A T T E N T I O N

To All Commercial Vehicle Operators:

In an effort to plan for the successful transition from the North Terminal temporary curbside configuration to the new Ground Transportation Area, Landside Services has put together a general timeline to help the Airport as well as your operation adjust your operational needs accordingly.

Sunday, November 16, 2008

11:00 PM – 1:59 AM – Please continue to utilize the temporary curbside configuration at the North Terminal, along with the Landside Services Table/Check-In Area near Door #1 in the Arrivals Area.

Monday, November 17, 2008

2:00 AM – The temporary curbside configuration of the North Terminal, along with the use of the Landside Services Table/Check-In Area near Door #1 in the Arrivals Area will cease.

2:01 AM – 3:59 AM – Landside Services will relocate the Table/Check-In Area to the North Terminal GTC Building.

4:00 AM – The Landside Services Table/Check-In Area in the North Terminal GTC Building will be operational. Landside Services will have temporary signage placed curbside, and Staff stationed throughout the GTC to assist Commercial Vehicle Operators and the traveling public.

NOTE: A map has been attached to show temporary designated staging areas.

As a reminder, Administrative functions will continue to be handled at the Landside Services McNamara GTC Office – Level 5.
