

DETROIT METRO • WILLOW RUN
WAYNE COUNTY AIRPORT AUTHORITY

ATTENTION ALL USERS OF LANDSIDE SERVICES

As the opening of the new North Terminal approaches, you will notice some changes taking place.

Beginning Friday, August 29, 2008 at 07:00 AM, any business related to the purchase of coupons/decals/permits and processing of PVL paperwork will be relocated to the McNamara Office located on Level 5 in the Ground Transportation Center (GTC).

Please see the map for the new layout of the GTC, which includes a new entrance and parallel parking located near the booth that Commercial Vehicle Operators must use when purchasing coupons/decals/permits.

After making a purchase, Commercial Vehicle Operators must return to their vehicle. You will not be able to enter the Limousine Staging Lot from the Parallel Parking Area. To utilize the Limousine Staging Lot, you MUST already have coupon(s), completed manifest, and valid photo ID.

Please be patient as we transition to our McNamara Office and plan for the opening of the North Terminal in Fall 2008.

If you have any questions or comments, please contact Landside Services at (734) 942-3623 or by email at groundtransportation@wcaa.us.
