ACDBE Certifiers in Michigan

- DBE and ACDBE certifications are obtained through one of three Michigan certifying agencies of the MUCP. The MUCP and certifying agencies internet links are as follows:
- [Michigan Department of Transportation](#)
- [Wayne County Human Relations](#)
- [Detroit Department of Transportation](#)
- DBEs and ACDBEs may be certified by only one MUCP agency, however the certification will be honored by all federal DOT grant recipients in the state of Michigan (49CFR § 26.83 (b) (2)). A firm must be certified by a MUCP agency before the Airport Authority awards a contract in order for the firm's work to be credited toward the achievement of a DBE or ACDBE goal set by the Airport Authority.

Historical Basis for Low ACDBE Participation

- Car Rental buying done on a National/Regional Level
- Vast portion of car rental expenses are from vehicle purchases
- Awareness of ACDBE program in Car Rental

Thank You
