Customs Form (CF) 3078, Application for Identification Card, Customs Security Area Identification, question #31 asks, “Have you ever been convicted of any crime or offense (other than traffic violations, you may exclude any items which occurred before your 16th birthday) in this country or elsewhere?”

To properly answer this question, you must include the following:

- Any offenses for which adjudication was withheld
- Any offenses for which you were placed on probation or placed in a pretrial diversion program
- Any offenses for which you were convicted, whether misdemeanor or felony
- Any offenses for which the record was sealed or expunged
- Any offenses for which you pled *nolo contendere*, or no contest
- Any offenses meeting the above criteria that occurred in any state or country

There are no time limits for items above that must be included, except items which occurred before your 16th birthday. You will be responsible for obtaining certified court dispositions of all arrests.

The Port Director considers any false statement or omission on the application to be material to the applicant’s honesty and integrity.

I have read and understand the above statement on how to properly answer question #31 of Customs Form 3078. I understand that failure to properly answer this, or any other question, on CF 3078 may cause a denial or revocation of my application for Customs Security Access.
