SECTION III – Privacy Act Notice

Authority: 6 U.S.C. § 1140, 46 U.S.C. § 70105; 49 U.S.C. §§ 106, 114, 5103a, 40103(b)(3), 40113, 44903, 44935-44936, 44939, and 46105; the Implementing Recommendations of the 9/11 Commission Act of 2007, § 1520 (121 Stat. 444, Public Law 110-53, August 3, 2007); FAA Reauthorization Act of 2018, §1934(c) (132 Stat. 3186, Public Law 115-254, Oct 5, 2018), and Executive Order 9397 (November 22, 1943), as amended.

Purpose: The Department of Homeland Security (DHS) will use the information to conduct a security threat assessment. If applicable, your fingerprints and associated information will be provided to the Federal Bureau of Investigation (FBI) for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems including civil, criminal, and latent fingerprint repositories. The FBI may retain your fingerprints and associated information in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to, or retained by, NGI. DHS will also transmit your fingerprints for enrollment into US-VISIT Automated Biometrics Identification System (IDENT). DHS will also maintain a national, centralized revocation database of individuals who have had airport- or aircraft operator- issued identification media revoked for noncompliance with aviation security requirements. DHS has established a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual's name expunged from the database. If an individual who is listed in the centralized database wishes to pursue expungement due to mistaken identity, the individual must send an email to TSA at Aviation.workers@tsa.dhs.gov.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed outside DHS as a routine use pursuant to 5 U.S.C. § 552a(b)(3) including with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the TSA system of records notice (SORN) DHS/TSA 002, Transportation Security Threat Assessment System. For as long as your fingerprints and associated information are retained in NGI, your information may be disclosed pursuant to your consent or without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses.

Disclosure: Pursuant to § 1934(c) of the FAA Reauthorization Act of 2018, TSA is required to collect your SSN on applications for Secure Identification Display Area (SIDA) credentials. For SIDA applications, failure to provide this information will result in denial of a Credential. For other aviation credentials, although furnishing your SSN is voluntary, if you do not provide the information requested, DHS may be unable to complete your security threat assessment. I understand that any unanswered questions or incomplete information on this application will cause it to be rejected. The information I have provided is true, complete, and correct to the best of my knowledge and belief and is provided in good faith. I understand that a knowing and willful false statement can be punished by fine or imprisonment or both. (See Section 1001 of Title 18 of the United States Code). I understand the Airport will suspend the unescorted access privileges of anyone with an outstanding arrest warrant. I agree to adhere to all Airport Security rules and procedures and not violate any Federal Regulation or local Ordinances and I acknowledge that I understand the Security responsibilities under 49 CFR 1540.105(a). I understand that failure to comply with any of these rules is a security violation and may result in an Administrative Penalty and/or TSA civil penalty. By submitting this application and signing below, you consent; to being screened at any time while gaining access to, working in, or leaving a Security Sensitive Area; and that the information contained in this application may be shared with federal, state and local law enforcement agencies.
